Dear Misses and Sirs,

The pre-registration will be finished on December 1<sup>st</sup>, 2008.

As a distributor and a downstream user, Climalife carried out its duty about pre-registration. We ensured that the marketed substances by Climalife (pure or in preparation) were pre-registered in ECHA system. If necessary, we carried out the pre-registration ourselves.

**We ensure you the continuity of the products after December 1<sup>st</sup>, 2008:**

Please be ensured of our determination to help you with this new European change.
